

Let's Make Weddings Better, Together

Audience Overview

- Proud to represent both engaged brides and grooms and the wedding vendors who can make their big days perfect.
- WedBrilliant is uniquely positioned to reach both audiences!
- Visitors include engaged couples in the beginning stages of planning their weddings, or perhaps a little farther along in the process but still needing some last-minute help from talented wedding professionals.
- Majority of visitors access WedBrilliant via desktop

Couple Details

- More women than men plan their weddings on WedBrilliant.
- They are looking to gain insight about the wedding planning process, browse vendors and ultimately request proposals from vendors in order to cross items off their "to do" lists.
- Average ages are between 25 and 35
- These couples are more likely to be married in the next six to 12 months.
- They plan to spend \$15,000 - \$45,000 on their big days.

Wedding Vendor Details

- Our wedding professionals represent states across the nation, including Alaska and Hawaii. They are DJs, photographers, makeup artists, caterers, wedding planners, floral designers, limousine companies and everything in between.

Sponsored Content

Supply your own copy and photography to reach our wedding professionals or engaged couples through a WedBrilliant e-newsletter. Or draft content for a blog article on WedBrilliant.com. We'll edit your copy to ensure consistency with the WedBrilliant voice and give you final approval of the customized content!

E-newsletters: You select the audience and the date & time and we'll send it out. Have a new promotion you want brides to be aware of? Share that! Want to offer referral credits to vendors? Let them know! *150 - 400 words, up to 3 images*

Blog Articles: Target a date & time to publish and we'll get it out there. Again, make the content as evergreen or timely as you like. *150 - 400 words, up to 6 images*

WedBrilliant will share content through our social networks, adding to the reach and longevity of the content.
